COSTA RICA

JANUARY 2-12

— 2020 —

\$1500*

*Does not include airfare

Come discover COSTA RICA with us and participate in an exciting international experience for those passionate about social services, the justice system, empowerment, community development, well-being, and hands-on cultural immersion!

ACTIVITIES INCLUDE:

- Engage in lectures about the socio-political climate in Nicaragua and its impact on Costa Rica, particularly the issue of migration, refugees, and university students who are now in exile (labeled “terrorists” for their protests of the government in Nicaragua in April 2018)
- Immerse yourself in culture and language through host family living and service projects while learning about the true culture, history, economy and people of the Guanacaste region
- Work with various groups based on your interests, including children, youth and adolescents, women, and the elderly
- Participate in cultural activities, including visiting sugarcane plantations, a guided boat tour of the Rio Tempisque, an overnight beach trip excursion, making tortillas with a local family, and learning about Costa Rica’s customs, dance, music and the community’s Chorotega and Spanish roots
- There is a lot of opportunity to practice Spanish, and enjoy the beautiful wildlife that will surround you! Monkeys, macaws, alligators, iguanas and more will all be a part of your adventure!
